

SHOSHAN

The Danish brand SHOSHAN, launched in 2005 by fashion designer Dorrit Shoshan, creates high fashion for the modern career woman.

The design is inspired by a visionary fusion of East meets West and the meeting between the feminine and the masculine. Every single garment has undergone a unique designing process tailored to accentuate inner strength and serenity. You see it in the sophisticated cuts, feel it in the choice of materials, and sense it in the well fitted styles.

Dorrit Shoshan was featured in several international fashion books before graduating from The Royal Danish Academy of Fine Arts - The School of Design, and has worked as an independent designer since 1989. Today SHOSHAN is known as internationally acclaimed, award winning Danish design.
